

Sustainability Sundowner

How to thrive and survive in the 21st Century West Australian landscape...

ABOUT THE EVENT

All businesses and homes can benefit from embracing sustainability; you don't need lots of money. By being smart, committed and adopting effective sustainability practices you can find out how to survive and thrive in the 21st Century West Australian landscape.

To wrap up a successful year we will enjoy some bubbles, canapés and hear from Chris Ferreira the Director of Landcare Solutions.
